Hi,

I hope this message finds you well.

I am writing regarding the compensation claim I submitted after my car windshield was broken by a fallen signboard. I submitted all the required documents within the given time frame; however, I have not yet received any updates or responses from your side.

The accident caused significant financial difficulty for me, as I rely on my car to work as a food delivery driver. Due to the broken windshield, I was unable to work for a whole month and had to cover the repair costs on my own. Even a small amount of compensation would greatly help me, as the repair expenses were very challenging for me to manage alone.

It has now been over six months since I submitted all the required forms and documents. I kindly request that my case be reviewed and that my documents be forwarded for the compensation process. I sincerely hope for your understanding and support in this difficult situation.

Thank you very much for your time and consideration. I am truly grateful for any help you can provide.

Kind regards,

Dear Vantaa City Representative,

I hope this message finds you well. I am writing to formally report an incident involving damage to my vehicle caused by a fallen parking sign.

On March 4, 2025, at approximately 15:00–16:00, my car, a Citroën C3 (License Plate:), was parked legally at the 1-hour parking area in front of Kilterinrinne 1B, Vantaa. While parked, a city parking sign fell onto my vehicle, causing significant damage to the windshield.

I have attached photographs of the damage.

As a resident of Vantaa, I trust that the city will take responsibility for this incident and assist in covering the repair costs. Please let me know how we can proceed to resolve this matter. I am available to discuss this further at your earliest convenience and can be reached at or via email at

Thank you for your attention to this matter. I look forward to your prompt response.
